

### **Instructifications for transcribing a TB-303 pattern**

1 - Select Time mode. Press D.S. button and write a circle for each step in either the the Start, Continue or the Rest rows.

2 - Select Pitch Mode. Press D.S. button for each circle in the Start row, write a circle at the appropriate pitch. If it is an accented note, fill the circle in. Write circles for Accent and Slide in the rows

3 - For each of the pitch circles which has a Continue on the next step or steps, write a horizontal line to represent the Continue(s). Slide is indicated by a line tying two pitches
